#1.

**F#m7**                    **B9**                    **Emaj7** **E6**  
Take my hand..I m a stranger in paradise.  
**E6** **F#m7**                    **B9**                    **Am**                    **Emaj7** **E6**  
All lost in a wonderland..a stranger in paradise.  
**E6**                    **F#m7**                    **B9**                    **Emaj7**  
If I stand starry-eyed..that s the danger in paradise..  
**E6** **C#m6**                    **F#m7**                    **Am B9**                    **E**  
for mortals who stand beside, an angel like you.

CHORUS:

**C7**                    **F**  
I saw your face and I ascended..  
**Ebm6**                    **E7**                    **Am**  
out of the commonplace, into the rare.  
**G#7**                    **C#**  
Somewhere in space, I hang suspended..  
**E6**                    **F#m7**                    **B9**                    **Emaj7**  
until I know, there s a chance that you care.

#2.

**G#dim**                    **Am7**  
Won t you answer this fervent prayer..  
**B9**                    **Emaj7** **E6**  
of a stranger in paradise?  
**E6**                    **F#m7**                    **B9**                    **Emaj7** **E6**  
Don t send me in dark despair, from all that I hunger for.  
**F#7**                    **B9**                    **G#m7** **G#dim**  
But open your Angel s arms, to this stranger in paradise.  
**F#m7**                    **Am B9**                    **E**  
And tell him that, he need be, a stranger no more.

A fifties smash from Kraziekhat.
