use bar chords

A D
Echoes in my head
A D
Your voice, it carries through, to the end
A D
And I think it has to be said
A D
You re stuck with me

D C#m
And I hope you re still out there
Bm G
When I stumble your way,
D C#m
And I hope you re still out there
Bm G
When I stumble, stumble your way

A D
You re smiling too loud
A D
Its scent is dragging me in somehow
A D
And I ve dealt without you until now
A D
But happiness got me down

D C#m
And I hope you re still out there
Bm G
When I stumble your way,
D C#m
And I hope you re still out there
Bm G
When I stumble, stumble your way

D F#m A

D F#m

And I hope you re still out there

A D

Come on please be out there

D F#m

I need you to be out there

D A

Oh please be out there

D F#m

And I hope you re still out there

Bm G

When I stumble, stumble your way
