Tuning: Standard (eBGDAE)

**Cadd9 Em Cadd9 D Cadd9 Em G**

**Cadd9 Em**  
Letâ€™s fall with the stars,  
**Cadd9 G**  
Theyâ€™ll take us from here,  
**Cadd9 Em**  
You left me some scars,  
**Cadd9 Am**  
Deeper than they appear,  
**Cadd9 G**  
And you were the first one,  
**C Em**  
You were the last one,  
**Cadd Am**  
the only one for me,

**Cadd9 G D C**  
You took me places I thought I could never go,  
**Cadd9 G D C**  
I felt like giving up but I would never let you know,  
**Cadd9 Em C G**  
Make a move or go away,  
**Cadd9 Em G D**  
but donâ€™t leave me waiting here for you,  
**Cadd9 Em Cadd9 G**  
I was yours and you were mine,

**Cadd9 Em Cadd9 G**

**Cadd9 Em**  
Please take me away,  
**Cadd9 G**  
I just see your face,  
**Cadd9 Em**  
Do you want me to stay,  
**Cadd9 D**

Or just be erased,

**Cadd9** **G**

And you were the first one,

**Cadd9** **Em**

You were the last one,

**Cadd9** **Am**

the only one for me,

**Cadd9** **G** **D** **C**  
You took me places I thought I could never go,

**Cadd9** **G** **D** **C**  
I felt like giving up but I would never let you know,

**Cadd9** **Em** **C** **G**

Make a move or go away,

**Cadd9** **Em** **G** **D**

but don't leave me waiting here for you,

**Cadd9** **Em** **Cadd9** **G**

I was yours and you were mine,

**Cadd9** **Em** **Cadd9** **G**

**C** **Em**  
I'm giving up for you,

**C** **G**  
the way you want me to,

**C** **Em**  
I'll be with you

**C** **D**  
if that's all I can do,

**Cadd9** **Em**  
and I could never hurt you,

**Cadd9** **G**  
because that would just hurt me,

**Cadd9** **Em**  
I'll take you into my arms,

**Cadd9** **D**  
and try to make you see,

**C** **Em**  
that I can't always be there,

**C** **G**  
but I will always try,

**Cadd9** **Em**  
I'll take whatever you give me,

**Cadd9** **D**  
and start to wonder why,

**Cadd9** **G** **D** **C**  
You took me places I thought I could never go,

**Cadd9** **G** **D** **C**  
I felt like giving up but I would never let you know,

**Cadd9** **Em** **C** **G**  
Make a move or go away,

**Cadd9**                **Em**   **G**                                **D**  
but donâ€™t leave me waiting here for you,

**Cadd9**   **Em**                **Cadd9**        **G**  
I was yours and you were mine,

**Cadd9**   **Em**                **Cadd9**        **G**

**C**    **G**  
Iâ€™ll take your breath away,

**Cadd9**    **D**  
and let it out anew,

**C**    **Em**  
say what I want you to say,

**Cadd9**    **G**  
â€œI wanna be with youâ€•
