

The Friends You Never Had - My Forever
Misc Unsigned Bands

Capo:1

Intro: **G Em C D**

G **Em**
The sky might not stay this blue forever
C **D**
But I ll still keep you here with me
G **Em**
The water might not stay like glass forever
C **D**
But I ll still keep you here with me

G
Hard times will come
Em
and fear will follow
C **D**
And I will hold you all night long
G
When we wake in the morning
Em
I will tell you that we ll make it
C **D**
And I ll sing you a verse from this song

G **Em**
The birds might not sing like this forever
C **D**
But I still want you by my side
G **Em**
The clouds might open up and pour down their rain
C **D**
I ll to my best to keep you dry
G **Em**
And when your heart is breaking and you cant go another step
C **D**
I ll walk beside you and I ll pray
G **Em** **C**
that the one who loves you more than I will carry you places that I cant.
D
And he will help me keep you safe.

G **Em**
The sun might not shine like this forever
C **D**
I ll do the best that I can do

G

Em

Life might not be this bright forever

C

D

But I know I want to spen it all with you

G

You are my forever

Em

You are my forever

C

You are my forever.

G
