Whitewash by Gary Fitzpatrick

From the album Judas Steer by The Great Western Squares.

Turn the clock back, start anew,

G Em C G

Paint a whitewash on the past.

Em Am D

Take a step back, change the view,

G Em C G

Tie your colours to the mast.

Em Am G

And I think I know just what you mean to me

G Em Am G

But it s taken far to long for me to see

G Em Am G

For I couldn t tell the forest from the trees

G Em Am G

And I think I know just what you mean to me.

G Em Am G

Comprehension came too late

G Em C G

Dream of pleasures that are lost

Em Am D

Hesitation, count the cost

G Em C G

Add them all to bear this cross

Em Am G

And I think I know just what you mean to me

G Em Am G

But it s taken far to long for me to see

G Em Am G

For I couldn t tell the forest from the trees

G Em Am G

And I think I know just what you mean to me.

G Em Am G

Every moment of every day

Em G

Seems to take so very long

Am Em

Every second your away
G Em
Drags like an eternity
Am
Tussles when your gone.
Em D

Turn the clock back, change the date
G Em C G
Join the circle don t be late
Em Am D
No solution , no escape
G Em C G
Add them all to hesitate
Em Am G

And I think I know just what you mean to me
G Em Am G
But it s taken far to long for me to see
G Em Am G
For I couldn t tell the forest from the trees
G Em Am G
And I think I know just what you mean to me.
