The Happiest Day Of My Life Misc Unsigned Bands

```
I Love you,
I ve loved you since day one,
I wanna hold you,
I ll never let you go,
I promise,
I ll be here for you,
No matter the weather,
I d do anything i have to.
This is the happiest day of my life,
Cause I know you re there for me,
and I know you re so beautiful,
even when the day turns to night,
I d give anything to wake up to you,
every single day of my life.
G
I wanna kiss you,
and feel your skin,
til death dont us part,
until the end.
I d fight everything,
no matter the size,
