

**The Hibernations - With You**  
**Misc Unsigned Bands**

**C Am Dm G**

We sit on the edge of the curb and  
dream of the days to come round

Silhouettes and sunshine cascade  
through our curtain call

Crinkled pages of empty love notes  
fill up these empty sounds of

Laughter and goodbye and goodnight  
Please don t go

**C E7 Am G F G C**

Cheap clothes and cheaper perfume  
Laughing at all these silly cartoons  
I d rather be at home where I m with you

**C Am Dm G**

Whistle 2x  
Spontaneous road trips to nowhere  
Stale cigarettes and warm beer

I d rather be at home where I m with you
