

**The Honey Trees - To Be With You**  
**Misc Unsigned Bands**

Hey there! Not sure if these are the right chords to this beautiful song, but it sounds ok to me.

CAPO 1

**C, G, F**

**C** **G**  
I climbed this hill watching so still  
**C** **G**  
I took to the fears of all I held dear  
**C** **G**  
But up on this height, a majestic sight  
**C**  
Flooded the skies  
**Am** **F** **C**  
And how I could feel you near

**C** **Am** **F** **C**  
Oh I could sail the world  
**Am** **F** **G**  
Search through the darkest waters but  
**F**  
I d never find  
**G** **F**  
These golden eyes

**C** **G**  
I held the stars to light where you are  
**C** **G**  
When your unfeigned heart called to me through the dark  
**C** **G**  
Soaked in the sound that rose from the ground  
**C**  
There I could feel  
**Am** **F** **C**  
I felt, I felt you near

**C** **Am** **F** **C**  
Oh I could sail the world  
**Am** **F** **G**  
Search through the darkest waters but  
**F**  
I d never find  
**G** **F**  
These golden eyes
