Verse 1

So to keep
From my sleep
Not too far
Not too deep

Must recoup
From the day
All that passed
Can't give way

In this world
There's no time
Go's too fast
Blows my mind

Can't you see?
Don't wanna be
Just another
Tragedy

Chorus

A Capricorn saved from the day's routine
A trusted man, you say, he's so hircine
Live forever, is it make believe
Of this life I fear I dare not leave
