**E** **C**  
Your lipstick bleeds its a powerful sting  
**E** **C** **E**  
its everything its all consuming its taking me for a ride  
**C**  
its been like a day, where i can get away from you  
**E** **C**  
and im still stuck on you and i cant get over you

Chorus

**G** **C**  
so take me to the place i ve never been before  
**E**  
there s gotta be something more  
**C**  
there s gotta be another door  
**G**  
so where do i go, who do i run to  
**C**  
i don t even know, im lost without you  
**E**  
i just need to find you  
**C**  
five minutes ago  
**E** **C**  
I remember our first kiss like it was yesterday  
**E** **C**  
standing in the snow in the middle of February  
**E**

and i was true when i said i wouldn t shiver?

**C**

**E**

and i kissed your face and i swore that we would never end

**C**

swore we d never end

Chorus 2

**E**

SO take grab my hand

**C**

i can t believe its still in my memory

**E**

**C**

and take me out, we ll be together for ertenaity

**E**

i just need you to be my best friend

**C**

i could be your best friend and company to the end

**E**

**C**

i love you oh i love you

chorus 3

**D**

**C**

And girl, don t you forget me

**D**

**C**

you know you ll never find another guy like me

**D**

**C**

and i swear i could never forget you

**D**

**C**

your kisses and your lipstick and the wonderful things you do

Last chorus x2

**C**

I just need to find you

**D**

I just need to find you
