

The Mitch Hansen Band - Lullaby
Misc Unsigned Bands

This is a song for those Twilight Fans out there.

My friend was having a bit of trouble with the tab version so she asked me to make her chord version.

My chord names are probably off, but I m trying here.
And this is my first tab on here, so please rate and comment.

Send any corrections to Childofhtekorn4@aol.com.

Thanks, and I hope you enjoy the tab.
