**G** **G7**  
When you finally fade from those nights you spend

When you decide to come back you always can. Oh.  
**G**

**G7**  
Our lives are separate roads We've picked our separate ways  
**C** **Cm**  
But this love I've found reminds me every day  
**Am** **D**  
That I still believe in you  
**C** **D**  
I still have faith. (I have faith)  
**Em** **C**  
That you'll find your way.  
**Em** **Cm**  
And realize your mistakes.  
**G** **C** **D** **G** **Cm**  
Cause I can't handle another night alone.

**G** **G7**  
And so I'm trying to find words to convince you to stay.

**Cm**  
But you're getting away.  
**Am**  
I keep falling down.  
**D**  
The words won't come out.  
**C** **D**  
My tongue twists in circles keeps them trapped in my mouth.  
**G** **G7**  
But I need the ocean or it's sand  
**C** **Cm**  
Or the high that I felt when you first held my hand.  
**Am** **D** **C** **D**  
And honey I just can't feel right alone. Alone.
