A|-----|  
E|-----|

It was summer  
And a hundred and six degrees  
The air was hot water  
There was no motion in the trees  
And in this weather only two things grow  
Or three  
Frustration  
Hot tempers  
And disease

0:46

Em A  
That menace  
G D  
has found us again  
Em A  
It s not just the old  
G D  
giving up and in  
Em A G D  
Don t let it take your breath away

1:15 Figure1 x3

We re all feeling ill at ease  
Since we were swinging through the trees  
And everyone knows that no one will ever know the true source of  
disease
