DOWN by the Pfeiffer Twins www.thepfeiffertwins.com www.facebook.com/thepfeiffertwins Dsus2 = 000230D9 = 000210D/F# = 200230INTRO I don t know if I can do this anymore Dsus2 What came so easily don t come at all VERSE 1 Α Tried so hard to make it work But you didn t want me or even like me Why should I put up With the face of a stranger Pointin the finger My body s dyin slow If I stay I would suffocate You couldn t let me be Holdin me head down in the water PRE-CHORUS 1 G And it won t stop. It can t stop You tell me that you love me. I m on my own! **CHORUS** I don t know if I can do this G It got so hard now we re pullin apart

I m over my head and I feel dead

Α

```
These past few years have been beatin me down
       No longer care to be there
       Drownin in the words we said
       It s high time we leave it behind
       These past few years have been beatin me...
VERSE 2
Won t let you bring me down
Should I go, would you leave me alone
Losin all control
                   D9
Breathin down my neck, lookin over my shoulder
I cannot fight no more
        D9
Get outta this place to a different space
Sometimes it hurts so bad
                D9
And I m goin mad, feelin colder
PRE-CHORUS 2
And it won t stop. But it must stop.
                                                Α
I m savin all my money. I m on my own!
        (CHORUS)
                       D9
down... down!
Instrumental: A D9 (4x)
BREAK-DOWN/REFRAIN
                                                   D9
You re beatin me down down down (3x)
                                                    (mute)
You re beatin me down down - oh god you re beatin me!
        (CHORUS)
                                       D9
down down down down
                                       D9
down down down down
I m over my head and dead in the water
