CAPO 2? 3?

chord progression throughout most of the song (except where written):
Ebm 022000--> 021000 --> 020000 --> **Bmaj9** 332000

VERSE 1
Let me introduce myself, missus no more name to tell
All I want are the same rights, without having to put up a fight
I m a thing that you can hurt, you think you re better straight from
      B   **Bb7** 021202 (or try an **Fdim** 001212)
birth...

CHORUS 1
If I m not a mother, then I m not a woman
God forbid I m beautiful, intelligent, and break the rules
Well maybe I don t want to. Maybe I don t have to.
Maybe I am tired of being told what I m made of

VERSE 2
You see me as a piece of art, taking care not to be as smart
Fallin carefully between the pressure of two extremes
But I walk the fine line between what you want and who I
    B   **Bb7** 021202 (or try an **Fdim** 001212)
G#m...

CHORUS 2
If I m not a lover, if I m not a virgin
Then I m not good enough, impossible to win your game
Cuz maybe I don t want to. Maybe I don t have to.
Maybe I am tired of being told what I m made of

(Instrumental break)
G#m G#m/G C# C# (2x)
G#m G#m/G Bb7

REFRAIN
Well I m a bitch! I m a whore! I am nothing more
than a toy that you play with every day!
Helpless and worthless, but bought and sold til there s nothing left!

OUTRO
Let me introduce myself, no more passive words withheld

I have power and control to determine my own roles.
