

The Pillars - With You Evermore
Misc Unsigned Bands

Verse 1

G D

Someday in the window glass there's a face I don't expect to see

Em C

Breaking through the morning skies it came as a surprise to me

G D

You know when you're in love cos you can't fall asleep

Em C

Looking straight at you and I find it hard to breathe

Pre-Chorus

Em D

And now that you re here, I pray every day

Em D

That you ll never disappear

Chorus

G-Am-B-D

I could never go back

To how it was before

Cos you re the one I'll be with

For evermore

Verse 2

(G-D-Em-C)

You re beautiful and funny but you don't know it you see

Never would be good enough to hold you close to me

All I saw was you and nothing ever takes me there

And now there s one thing I am sure of I belong to you

Pre-Chorus

(Em-D-Em-D)

And now that you re here

I pray every day

That you ll never disappear

Chorus

I could never go back

To how it was before

Cos you re the one I'll be with

For evermore
