E **B**
i ve been thinking that the stars are all aligned,
G#m **F#m**
im young but i am bright enough to read solar signs.
E **B**
so, is it cool if i call you around 8 or 9?
G#m **F#m**
we ll talk a real long time about the days when we were young, we re still
young.
(we re still young, we re still)

E **B**
i told you that your heart s quite big and i like it, but you were skeptical,
skeptical.
G#m **F#m**
oh oh, can you feel me in the sunrise, or in the daytime?
i like your night eyes.
E **B**
and you are beautiful in every single way, i would like to see your shining face
every day.
G#m
if i m lying may the lightning strike me down to the ground,
F#m
cause i don t need electric currents when you re around.

E **B**
i ll contrive a way to find you diamond rings,
G#m **F#m**
i ll sell all of my things or rob a jewelry store, but what good could that do?
E **B**
love is something that just cant be bought or sold,
G#m **F#m**
it wont come when it s told it only comes from the soul. so do you got soul?
because you ve got me so wrapped up wraped up in you.

E **B**
so darling do you know darling do you know how you got so lovely?

G#m **F#m**
 was it self-taught, learned from life? you ve got skills making boys go crazy
E **B**
 and i ve been running down the stairs again,
G#m **F#m**
 i think you re in my head girl, i think i m freaking out girl.
E **B**
 sometimes i wonder if you re even real, if not it s cool, i don t wanna go back
 to
 the way that it was,
G#m **F#m**
 i don t wanna go back cause i think i may be

 your relationships come and go,
G#m **F#m**
 but what makes a difference is how you take advantage of the
E **B** **G#m** **F#m**
 flirting eyes, lips and thighs, romance and regrets, this is a ship wreck.

 i m the one who fell in love and stayed that way
G#m **F#m**
 i m the one who fell in love and stayed that way
E
 so take my advice,
B **G#m** **F#m**
 love with your head love with your heart, love with all love with all you have.
