I tabbed this song for people who just want to sing along...
it is not a perfect tab of what the guitar plays on the CD.

G(v): 353533

F **Bb**
Roads go ever ever on,
F **Bb** **G(v)**
Over rock and under tree,
F **Bb**
By caves where never sun has shone,
F **G(v)** **F**
By streams that never find the sea;
F **C**
Over snow by winter sown,
F **Bb** **G(v)** **C**
And through the merry flowers of June,
F **Bb**
Over grass and over stone,
F **G(v)** **F**
And under mountains in the moon.

F **Bb**
Roads go ever ever on
F **Bb** **G(v)**
Under cloud and under star,
F **Bb**
Yet feet that wandering have gone
F **G(v)** **F**
Turn at last to home afar.
F **C**
Eyes that fire and sword have seen
F **Bb** **G(v)** **C**
And horror in the halls of stone
F **Bb**

Look at last on meadows green

F **G(v)** **F**

And trees and hills they long have known.
