The Turbans - When You Dance
Misc Unsigned Bands
When You Dance: The Turbans.
#3 R&B and #33 Pop Charts in 1955.
INTRO: G D (x2)
#1.
G
                                      D
When you dance, be sure to hold her, hold her tight.
D
                      D7
                                               G
When you dance you ll squeeze her, yeah, with all your might.
G
       G7
                              С
                                            Cm
Such a thrill, oh, when she s close to you ..
      р
                               G
well, hold her tight, when you dance.
#2.
G
                                               D
When you dance, you ll feel the warmth of her embrace.
D
                       D7
                                         G
Then you ll know, this feeling, yeah, is no disgrace.
G
       G7
                              C
                                             Cm
Such a thrill, oh, when she s close to you..
     р
                               G
well, hold her tight, when you dance.
CHORUS:
G
                         G
                                Cm
                                                     G
       Cm
You may do a Rhumba or a Tango, Mambo, Calypso or a Strand.
                       G
                             C
Cm
                                             D D7
Lights are turned down low...you go hand in..
#3.
G
                                      р
When you dance, be sure to hold her, hold her tight.
D
                      D7
                                               G
When you dance you ll squeeze her, yeah, with all your might.
G
       G7
                                            Cm
                              C
Such a thrill, oh, when she s close to you..
      D
                               G
well, hold her tight, when you dance.
(INTERLUDE:SAX:)
#4.
G
                                      D
```

When you dance, be sure to hold her, hold her tight.
D
D7
G
When you dance you ll squeeze her, yeah, with all your might.
