

Thomas Butterworth - Let Them In
Misc Unsigned Bands

Intro

Dm **Am**
Beauty Queen,
Bm **Em**
Let Them In.
Dm **Am**
Frozen Tears,
Bm **Em**
Show Your Fears.

Verse

Dm **Am**
When was the last time you were able,
Bm
to spin your fable,
Em
to a willing crowd.
Dm **Am**
Lost in the haze are the good old days when,
Bm
you used to stand so,
Em
strong and proud.
Dm **Am**
And everyone says your off the pace,
Bm
cause you won the race,
Em
to lose it all.
Dm **Am**
Your dad s not there and your mum don t care,
Bm **Em** **E**
the men come and go and they never show,

Chorus

D **G**
an ounce of care.
C **F**
Noone knows cause you won t show it.
D **G**
Bare your pain to them.
C **F** **Dm**
They could help if you d just Let Them In

Verse 2

Dm **Am**
You always said you d be someone,
Bm **Em** **E**
now you know the chance has gone,
Dm
so you tart yourself up,
Am
pretend your young,
Bm **Em** **E**
but you have to pretend it s fun cause,

Chorus

D **G**
Deep down inside,
C **F**
you know it s gone so wrong and so you,
D **G**
hide your pain from them.
C **F** **Dm**
They could help if you d just Let Them In.

Middle 8

(same strum pattern as verses but at a faster tempo so play more strums to fit into the timing)

Dm **Am** **Bm** **Em**
E **D** **G** **C** **F**

Break

D **G**
Everyone knows that life don t last,
C
so you lived yours good
F
and lived it fast
D **G**
but your tired in the day and you wear ya shades,
C **F** **Dm**
to hide the lines that cross your face

Final Chorus

Dm **Am**
Let go, let it go.
Bm **Em** **Dm**
Carry on down the road of your life,
Am
Let Them In,
Em **E** **Dm**
they could help if you d just Let Them In.

Coda

(For the outro just strum each chord once then pluck the bottom four strings of the to the same rythm as the strum pattern. Coda chords are all the same as the verse and chorus)

Dm	Am	Bm	Em
D	G	C	F

And that s ya lot. Another one of my own creations. As always if you have any questions the song or wanna talk about guitar or songwriting just drop me an email at my address: ThomasOlano@hotmail.com
