Lyrics made by Synne and song preformed by Ida K. :) The song is on youtube only!

Also preformed by Fay Meyer!

So you tear me down, again and again
and i don t even care anymore
And i climb back up time on time
and I let myself fall when I m scared

Break me into pices seperate me from my heart
I don t won t to be me I won t a new start
Break me into pieces you can have my heart
Burn it if you want to let me stay apart

I tell myself day by day
that times can allways change
I let myself believe year by year
that I will get a new life one day

Break me into pices seperate me from my heart
I don t won t to be me I won t a new start
Break me into pieces you can have my heart
Burn it if you want to let me stay apart

C **D**
Face it darling your not mine
C **D**
Nor you ll ever be
C **D**
Face it darling i hate you
C **D**
As much as you hate me

C **D** **Em**
Break me into pices seperate me from my heart
C **D** **Em**
I don t won t to be me I won t a new start
C **D** **Em** **D** **C**
Break me into pieces you can have my heart
C **D**
Burn it if you want to let me stay apart
