Throw Me The Statue - About To Walk
Misc Unsigned Bands

Tabbed by nilsus
chords may sound a bit strange at first, but try listening to the track when you
play it.

http://www.myspace.com/throwmethestatue

To make it easier to play you can add a capo to the 1st fret and transpone it
-1.

C#
Favourite space is a palindrome
Where I tuck in the cannonball
      Bbm
And I never have to share
           F#
And where nobody can see
         G#
Well, I was just about to walk
    C#   **F#**
Five miles in a day
        G#
Shame is always bathed in light
      C#   **F#**
And it always looks the same

C#
Strange nights locked inside
F#   **Fm**
I was waiting for a road ahead
                Ebm
I was lying in my Western bed
C#
Clues and clues dressed in white
F#
Double dreams tend to land big blows
G#   **Ebm**
After all with the evening ghosts
                    F#
â€˜Cause they were only there to break my toast

C# Bbm F# C# (listen to song for right timing. plays the same chord for a long
time.)

C#
Left you under the indulgent chore
Plead your case with the famous whore

```
        Bbm
Like, will anybody see?
          F#
Or would anybody care?

Hey Scott, ummâ€¦ I know itâ€™s really silly, but ummâ€¦ yeah, umm, I met a girl
and she was
great ummâ€¦ I was going to share that with somebody and ummâ€¦ Iâ€™m sharing it
with you,
have a good day.
