I know a girl that everyone loves,

Shes popular because she loves love
D **A**
Shes always welcome round my neighbourhood

And every guy I know has been with her if they could

Em **A**
Oh shes so confused
Em **A**
Doesnt know which boy is right but
Em **A**
Lets them take her home for the night cause
Em **A**
Shed rather fuck than fight

Yes I know a girl that everyone loves,
Bm **G**
Shes popular because she loves love
D **A**
Shes always drinking way too much
Bm **G**
Stumbling down staircases says its a phase but

Em **A**
Its been going on since we were kids
Em **A**
Escalated from Smirnoff to spliffs now
Em **A**
Packs her crack in a pipe for her kicks
Em **A**
She tries to walk the line but shes high off her tits

D **A**
She lost her childhood grew up too fast,
Bm **G**
Now not so fantastic considering plastic, yeah

Em **A**
Everything in her lifes so mundane
Em **A**
All the boys their clumsy hands feel the same

Cant even remember half of their names
Em **A**
Or the last time that she came

D **A**
Yes I know a girl that everyone loves,
Bm **G**
Shes popular because she loves love

Shes always confessing her secrets to me,
Bm **G**
Im just a friend but it aint all that easy when

Em **A**
Youve got secrets that youre trying to hide
Em **A**
but there aint nobody left to confide in that
Em **A**
Youre completely obsessed smitten and in love
Em **A**
With a girl that everybodys loved.
