It's You Lord

By: Tim Marsh

Capo 3

C Em D Am x2

C **Em**
It is you lord, pouring out your love
D **Am**
Watching over us, from heaven and above
C **Em**
We wanna bring glory, but not from a story
D **Am**
From our humble hearts, racing like go carts

Em **D**
Oh it's you lord, the king of heaven and earth
Am **C**
The joy and glory, from you single birth
Em **D**
Oh It's you lord, healing sick and blind
Am **C**
Coming down to earth, to save man kind

C **Em**
So it's you lord, looking out for us,
D **Am**
Making sure that we don't stumble or cuss
C **Em**
Oh It's you lord, guiding us along
D **Am**
So were here to praise you with this song

Em **D**
Oh it's you lord, the king of heaven and earth
Am **C**
The joy and glory, from you single birth
Em **D**
Oh It's you lord, healing sick and blind
Am **C**
Coming down to earth, to save man kind

C **Em**
So were here lord, setting our pride aside

D **Am**
To read the bible and have the rules to abide
C **Em**
To honor you lord, and be humble
D **Am**
To follow you, and not have stumble

Em **D**
Oh itâ€™s you lord, the king of heaven and earth
Am **C**
The joy and glory, from you single birth
Em **D**
Oh Itâ€™s you lord, healing sick and blind
Am **C**
Coming down to earth, to save man kind
