**C** Every story has a writer whoâ€™s life has been inspired by love or a desire to get **Am**

**C** inside of the mind of the reader or at least get to the next page. **Am**

**C** Every movie has a part where they get to the heart of the matter foreshadowing **Am**

**C** what might be happening whether or not thereâ€™s a trap door in the floor of

**Am** the stage.

**Dm** So Iâ€™m trying to read

**G** Cause Iâ€™m dying to see

**C** Who I will be in the story of your life **Am**

**C** And where will I be

**Am** If you close the book tonight

**Dm** Am I the hero or the villain

**G** Is it a history or fiction

**Dm** Will I still be here in the end **G**

**C** In the story of your life **Am**

**C** In the story of your life **Am**

**C** Well in the novel I am writing Iâ€™ve decided Iâ€™m using the actual identities **Am**  
instead

**C** of misleading the people I love

**Am**

Cause they're the ones who need it the most

**C**

**Am**

In every chapter there's another beginning and I'm beginning to guess my

**C**

character's in way over his head because of something he said or maybe

**Am**

something he wrote

**Dm**

So I'm trying to read

**G**

Cause I'm dying to see

**C**

**Am**

Who I will be in the story of your life

**C**

And where will I be

**Am**

If you close the book tonight

**Dm**

Am I the hero or the villain

**G**

Is it a history or fiction

**Dm**

**G**

Will I still be here in the end

**C**

In the story of your life

**Am**

**Dm**

**Am**

**C**

So tell me Juliet, can we make it through this act without a tragedy?

**Am**

**Dm**

Oh lets get through this scene

**G**

Cause I'm dying to see

**C**

**Am**

If will be in the story of your life

**C**

And where will I be

**Am**

If you closed the book tonight

**C**

**Am**

Who I will be in the story of your life

**C**

And where will I be

**Am**

If you close the book tonight

**C**

**Am**

Who I will be in the story of your life

**C**

In the story of your life
