Capo-1

[Verse 1]

C **G**
I look in the mirror, and stare at myself
Am **F**
Hoping that tonight, I ll win you over
C **G**
And I don t think that I m good enough
Am **F**
But hopefully, that s where you think I m wrong

[Bridge]

C **G**
I try to be perfect, I try to be honest
Am **F**
But frankly, I m so nervous

[Chorus]

C* **G**
So I, I m waiting for tomorrow
Am **G**
Night, where you ll be there burning,
C* **G** **D**
Bright, brighter than the moon and the stars
C*
Ever wish they could, ever wish they could

[Verse 2]

C **G**
I woke up this morning, dreaming about you
Am **F**
Dreaming the dream, that you ll make me new

But I m still the same, and maybe that s to blame

But right now, I m still singing my song

[Bridge]

C **G**
And I try to be perfect, I try to be honest
Am **F**
But frankly, I m so nervous
