Music and Lyrics by Tom Lawton - <http://www.youtube.com/watch?v=qw0DElCjUIY>

Played capo 1st fret in standard tuning.

**C#**                    **Bbm**                    **F#**                    **G#**  
Sun on my shoulders, there s no clouds on my face  
The waves roll in at such a wonderful pace  
I m cool with chillin , I don t need no race

**F#**                    **G#**  
I m gonna relax, lay back, pick a guitar and live the simple life.

**C#**                    **Bbm**                    **F#**                    **G#**  
Now Harri-Jo, she is a friend of mine  
You ll find her with me most of the time  
She rolls in meadows and she lays in sunshine

**F#**                    **G#**  
And she s the one who taught me to always live the simple life.

**C#**                    **Bbm**                    **F#**                    **G#**  
If you can t hear it then just close your eyes  
you ll hear the beauty that society hides  
The singing birds and buzzing bees in hives

**F#**                    **G#**  
Oh, what s hidden behind is the secret to the simple life.

**F#**                    **G#**  
So if you wanna see what I see

**C#**                    **Bbm**  
Just close your eyes

**F#**                    **G#**  
And if you wanna hear what I hear

**C#**                    **Bbm**

Just quiet your mind

**F#**                    **G#**  
And there you will find the simple life

**C#**                    **Bbm**                    **F#**                    **G#**  
So many people trading money in suits  
They check their labels and they polish their boots

They use Ferrari s for a mile commute

**F#**

**G#**

Oh they re stepping on your dreams and trying to keep you from your simple life.

**C#**

**Bbm**

**F#**

**G#**

No time for looking, they got no time to see  
Just how beautiful this world can be  
They re too concerned with machines and money

**F#**

**G#**

Oh they re building up a wall between themselves and the simple life.

**C#**

**Bbm**

**F#**

**G#**

Gimme a call if you re needing a hand  
Come sit beside me so they you understand  
Toes in the water, got your ass in the sand

**F#**

**G#**

Drift away with the breeze, and there you ll find the simple life.

**F#**

**G#**

So if you wanna see what I see

**C#**

**Bbm**

Just close your eyes

**F#**

**G#**

And if you wanna hear what I hear

**C#**

**Bbm**

Just quiet your mind

**F#**

**G#**

And there you will find the simple life

**F#**

**G#**

Well life goes by in the blink of an eye

**C#**

**Bbm**

**Eb7**

And I wish that you could see just where you could be

**G#**

**G#7**

Where you could be

**C#**

**F**

**Bbm**

**Eb7**

So I will walk you hand in hand right through this world of ours...

**F#**

**G#**

Then you ll let go of me,

**F#**

**G#**

Run wild and be free,

**F#**

**G#**

cos now you can see,

The simple life.
