          **G**

**F**                            **C**  
we were best friends

well we hung up our buckskins  
laid down our six shooters  
went out and got us a couple lectric guitars  
and we tried to sing like Elvis  
we tried to play like Clapton  
the best we could do  
was a couple chords of Gloria

chorus...

well I went out to see him  
a couple weeks ago

after oh so many years  
lord where d all of that time go  
and we laughed about the old days  
and sighed about the new ways  
we wondered about Bobby and Lenny and Joe  
then we said our good-byes  
said again real soon  
how many times have we sung the same tune  
but there s one thing for certain  
I ll never be hurtin  
cause right up to the end  
I got me a best friend

chorus;

yes we are buddies and pals  
and commrades to the end  
and after all is said and done  
he s still my best friend
