Awesome singing and guitar with a great song from Tommy that many people can relate to. His style has a real natural flow about it.

I went to the effort of tabbing it out for myself so I thought I would share with those in need.

### Bridge

**F**            **G**                    **Am**  
Don't you know that you live in my mind  
**F**            **G**                    **Am**  
And I think that I'll attack you this time  
**F**    **G**                    **Am**  
If I try ... If I prey  
**F**            **G**                    **G**  
I know I can think you .. I know that I can think you away

Chorus3

**Am**                    **F**                    **C**  
Every time I feel it's gonna end  
          **G**            **Am**            **F**            **C**            **G**  
Hello anxiety again  
**Am**                    **F**                    **C**  
I've swallowed all their pills and cried  
          **G**                    **Am**            **F**            **C**            **G**  
While they claim to be my friend ... still

Outro

**Am**                    **G**                    **C**  
Until the day when I can make it end  
          **G**            **Am**            **G**            **F**            **G**  
Hello anxiety again  
**Am**                    **G**                    **C**  
Until the day when I can make it end  
          **G**            **Am**  
Hello anxiety again  
**Am**            **G** ...  
Hello anxiety again
