

Treviso - Theory Of Evolution Chords  
Misc Unsigned Bands

This is a song of my band:

Intro: Em B G Em

Verse: Em B G Em

Bridge: Em F# A B

Chorus: Em C A B

Intro x2

Verse 1:

Em B

Why can t we see?

G Em

That the curtain s closing on me?

Em B

Could this be real?

G Em

Is any of it true at all?

Bridge:

Em F# A

The path I walk, the path I talk

B

Slaps me in the face

Em F# A

Isn t there, another way

B

Another way to your grace?

Chorus:

Em C

Let s revolve, let s evolve

A B

Let s form a revolution

Em C

Let s revolve, let s evolve

A B

This theory of evolution

Verse 2:

Why can t we breathe?

We suffocate our insides

Are we just blind?

When the light fills the floor

Bridge

Chorus

Solo:

**Em C B A# Dsus2 x2**

**Em F# A B x2**

Bridge

Chorus x2 (second time has bridge chord progression)

Outro (same as intro)
