Verse 1:
```
        C#                  F#
Hop in the car, and take a seat.
      Ebm                      F#        G#
It s time to take all of your troubles and set them free.
               C#                  F#
Turn on the radio, and blast the volume,
      Ebm                F#            G#
Cus todays the day you re gonna have with zero problems.
```

Intro to Chorus:
```
   C#
Just roll the windows down as we drive from town to town.
          F#                       G#
Throw your hands up in the air and sing. . .
```

Chorus:
```
  C#
We are the masters of the road, where we stop nobody knows,
        F#                           C# Ebm     G#
We re gonna keep on drivin til the summer ends.
       C#
Yeah we are the masters of the road, rain or shine we keep on goin
F#
on and on, ridin with the best of friends.
         C#           Ebm         G#      C#
We re driving on a road with no dead end.
```

Verse 2:
```
        C#                  F#
If the tank, runs out of gas.
            Ebm         F#                 G#
We ll just fill it up, continue, make this moment last.
               C#                  F#
The sun goes down, and the stars appear.
      Ebm                F#                G#
I can truly say there s no place i d rather be than here.
```

Play Intro to Chorus then Chorus

Bridge:
```
    C#                          F#
The car starts to slow down as we make a stop.
    C#                         F# Ebm     G#
We walk into a field and let our bodies drop.
```

```
     C#                                            F#
They say that the road ain t no place to call a home.
          C#          F#                   Ebm                          G#
But I disagree, I think it could be as long as you re not alone.

Chorus
```
