

G A D

And I promise I will make you want to stay

Second Verse:

Bm **G**
I m digging deep to find

D **A**
a way that we can both be

Bm **G** **D**
Wrapped up in each other s arms

A
for one more day

Bm **G**
We ve had our time to think

D **A**
but still i m feeling empty

Em
when you say

G
that you won t stay

Chorus:

G **D**
And I won t forget you I don t regret you

A **Bm**
But the hardest thing I ve had to do is live without you

G **D** **A**
And I wonder why we both walked away

G **D**
I ve tried without you, cried about you

A **Bm**
Now turn around come back so I don t dream without you

G **A** **D**
And I promise I will make you want to stay

Bridge:

Bm **G**
I m sorry for all I did

D **A**
What I said and the things I hid

G **D**
I m finally over me

A
The past is done

Bm **G**
I can t imagine where I d be

D **A**
If you had never rescued me

G **D**
You gave me hope to live

A
Now i need you

A
Cause I need you

Chorus:

G **D**
And I won t forget you I don t regret you

A **Bm**
But the hardest thing I ve had to do is live without you

G **D** **A**
And I wonder why we both walked away

G **D**
I ve tried without you, cried about you

A **Bm**
Now turn around come back so I don t dream without you

G **A** **D**
And I promise I will make you want to stay

G **D**
And I won t forget you I don t regret you

A **Bm**
But the hardest thing I ve had to do is live without you

G **A** **D**

And I wonder why we both walked away
