Verse 1:

**C**  
this grey room  
**G**  
this bunker  
**Am**  
the air is humming  
**F**  
us to sleep  
**C**  
while outside  
**G**  
the city hurry  
**Am**  
the endless worry  
**F**  
is out of reach

Pre-Chorus:

**Am F**  
promise me youâ€™ll never leave this room  
**C/E F**  
a million years from now would be too soon

Chorus:

**C**  
the world is spinning turning day to night  
**G**  
and my thoughts are running at the speed of light  
**Am F**  
got an empty feeling that I never want to fill  
**C**

absolutely still

I waited longer cuz I needed proof

**G**

that every door I shut s leading me to you

**Am**

**F**

and there s a nervous feeling that I never want to kill

**C**

absolutely still

**C G**

Verse 2 (same as verse 1):

we were running  
from the same noise  
we were stuck in  
the same pursuit

now the doorâ€™s locked  
I find that  
the dizzy madness  
is bleeding thru

Pre-Chorus:

promise me youâ€™ll never leave this room  
a million years from now would be too soon

Chorus:

the world is spinning turning day to night  
and my thoughts are running at the speed of light  
got an empty feeling that I never want to fill  
absolutely still  
I waited longer cuz I needed proof  
that every door I shut s leading me to you  
and there s a nervous feeling that I never want to kill  
absolutely
