Intro: **C# F# A G#m**

C#

Thought that I could hide

F#

Oh how I ve wasted time

C#

F#

I spent my life running from you

C#

I just can t say no

F#

You re love won t let me go

C#

F#

My shields are defenseless against you

C#

Lost in the dark

F#

Till Your love dawned in my heart

C#

You filled all the hollow

F#

and You freed my pent-up soul

(Chorus)

C#

F#

its so hard to believe

A

You re here with me now

G#m

make me feel so alive

I ve got to let it out

C#

F#

ex-tra-ord-in-ar-y

A

you re bringing me out

G#m

You filled my heart with Your love

and turned my world around

C#

I ve looked here and there

F#

Oh I ve looked everywhere

C#

F#

But nothing can compare to You

C#

You know my heart

F#

I want to be where You are

C#

I m hopeless without You

F#

How d you teach this heart to love?

(Chorus)

(Palm Mute)

C#

F#

ohh, you don t need love

A

you ve got yourself

C#

and that s good enough

C#

the fool lives life

F#

for no one else

A

C#

the slave to love finds real freedom yeah!

(Chorus)
