after laughter comes tears  
after your laughter there will be tears

when youâ€™re in love, youâ€™re happy  
when your in a arm, you gaze  
this doesnâ€™t last always

after your laughter there will be tears

my friends all say, donâ€™t try to hold it in  
but I canâ€™t let that guy know how I feel  
Iâ€™ll try to hold back my, my, my tears  
but they keep say

after your laughter oh, oh, oh

Iâ€™ll try to hide, hide my sorrows  
I wonder can I hold them till tomorrow  
maybe Ill hold them for a year  
but they keep say

after your laughter  
now you will see those wet little tears

after your laughter  
a little biddy tear will look climb into your eye
