                         Higway 59 - Whiskey Falls
_____
Tabbed by: gwyder
Email: mirzamerdovic@gmail.com
Tuning: EADGBE
Intro: C, Gm.
Verse:
C
                Gm
                           Α
You and I spent so many nights
A#
                 F
Feeling alone lying side by side
С
                     Gm
                                 Α
I take a last look and I say goodnight
A#
                 F
Blow you a kiss and turn out the light
Am
                       Gm
                                 G#
Guess this time I won t be comin back
Am
                         р
I ll leave the key under the welcome mat
Chorus:
                 F
It s a little after midnight
                             C
And the windin road ahead looks black
I m drivin with one headlight
                               C
And the signs are sayin don t turn back
\mathbf{F}
Tears are fillin up my eyes
С
I m tryin to stay between the lines
F
                            D
Can t waste another day livin a lie
              G
I m on Highway 59
                     C
And It s leading to goodbye
Verse:
I see the weepin willow disappear
In our front yard through the rear view mirror
```

These country roads that brought me home for years Now are taking me away from here

Headin over red mountain pass I hope to make Montgomery before I run out of gas

Chorus:

It s a little after midnight And the windin road ahead looks black I m drivin with one headlight And the signs are sayin don t turn back Tears are fillin up my eyes I m tryin to stay between the lines Can t waste another day livin a lie I m on Highway 59 And It s leading to goodbye

Bridge Two lovers holdin on and wastin time Thirsty for love but the wells run dry

I haven t got the bridge cause on their MySpace page I could listen to only 2 minutes the song. Sorry. http://www.whiskeyfallsmusic.com/site.php http://www.myspace.com/whiskeyfalls
