

Wilfred Bradley - Wonderfully Made
Misc Unsigned Bands

Enjoy:D

[Verse 1]

G C Am D G

You created the skies and the seas
The flowers and the trees
Marvelous are your works indeed
You clothe the grass which lasts a day
And you knew every word I say
So caring are you Lord oh yes you are indeed

[Pre chorus]

Bm Em C D

But sometimes I hear voices
Telling me all my flaws
I look into the mirror
And it hurts me more and more
But now I know who made me
He loves me for who I am
So those words which once had hurt me
Doesn t matter anymore

[Chorus]

G C Am D G

Cos my Abba made me
I am wonderfully made
It doesn t matter what you say
Cos my Abba made me
As Jesus is, so am I
I am the apple of His eye
It doesn t matter what you see in me
I m wonderful in His sight

[Verse 2]

G C Am D G

Oh Lord you are so great
You number the hairs on my head
So loving are you Lord oh yes You are indeed
When all I had was guilt and strife
Lord You came and gave me life
So gracious are you Lord oh yes you are indeed
