

Wind In Sails - Deep Down
Misc Unsigned Bands

Tuning: Standard
Capo: 3

I did these chords with Evans old video of the song so the chorus is a bit strange. Evan plays with the chords but I can t really show that on here.

Intro C - Em - G/D x2

VERSE 1

C Em G/D
this isnt easy to say but i think its time that i got moving on so ill keep
C Em G/D
my thoughts focused on today and hope that im happy with where i am now,
C D
where I am now

C Em G/D
there comes a time in all our lives when we start living life for ourselves
C Em
its not selfish to follow your heart and start reaching out for something
G/D C D
more for anything more

CHORUS

Em G D C Em
I always thought that we were friends in the truest sense somethings never
G D Em G D C
really are what they seem to be i always hoped that we d be better off in the
end

Em Bm C D
im better off without you, i hope your better off without me

C - Em - G/D x2

VERSE 2

C Em G/D
just a word of advice its not about fame or the fortunes you make its about
C Em G/D
heart, and staying the same not losing sight of your self in this game,
C Em
im folding ill start over from scratch, do this on my own at least then i

G/D

know,

C

Em

if it all falls apart it all falls down on me theres no one to blame for

G/D

C

D

choices i make im finally free.. I m finally free

Em

G

D

C

Em

I always thought that we were friends in the truest sense somethings never

G

D

Em

G

D

C

really are what they seem to be i always hoped that we d be better off in the

end

Em

Bm

C

D

im better off without you, i hope your better off without me deep down

Em

G

D

C

Em

G

I always knew we werent friends in the bitter end so i bit my tongue until my

D

Em

G

D

C

mouth filled with blood ive always felt the weight of jealous negativity

Em

G

im better off without you

C

D

Always be better off with out you

C

D

Always be better off with out you

C

D

Always be better off with out you

C

D

End on Em

Always be better off with out you
