Never ever fair, I turn to rust, Inside my mind slowly corrupts  
**F#m . E . B . F#m .**  
I need a hand I need to trust, In something until I give up

**A . E .**  
Maybe I need help, Maybe something s wrong inside my head  
**B . F#m .**  
Maybe it s the world, That forgot to turn  
**E . F#m .**  
Maybe you re the one, Maybe it s the world

**F#m . E . B .**  
Up and up again towards the sun, I m blinded I can t pay the cost  
**F#m . E . B . F#m .**  
Still I keep crawling towards the top, Knowing that I am already lost
