

Yotam Perel - Birthday 18

Misc Unsigned Bands

I couldn't find the chords to this song so I just made some.
The chord changes are well synced with the lyrics too,
I've noticed a lack of that on UG.
Enjoy!

F# **Bbm**
It's my birthday today but I don't want to party
C# **B**
Because there are other important things on my mind
F# **Bbm**
It's not the final result it's not my body that repulses me
C# **B-Cm**
It just makes me feel a little bit crumbly
F# **Bbm**
I'm being drafted to the army three years sounds alarming
C# **B**
Not sure what to do I guess I'll have to sit through
F# **Bbm**
Some office job not that thrilling well at least there's no killing
C# **B**
Involved with my service yet I'm still pretty nervous
F# **Bbm**
It's my birthday today and I'm not sure what to say
C# **B-Cm**
I guess- I guess this thing didn't come out very funny
F#
But I am blaming the army

(Yotam crying)

F# C# Bbm B

F# C# Bbm B

F# **Bbm**
It's my birthday today and I don't want to celebrate
C# **B-Cm**
Because the army's making my future look bleak
F#
Well at least I can drink
