Zac Dinsmore - Caught up in Mercy

Verse 1:

Csus4 C Csus4 C Csus4 C G 2X
Thereâ€™s a light that shines, Strong and bright,
And it takes me by surprise,
Swept up in the flow, Now I canâ€™t let go,
But this strangely feels like home.

Chorus:

F Am 4X
Iâ€™ve been caught up in mercy,
Iâ€™ve been caught up in grace,
All my cares have fallen off now,
And this joy, I canâ€™t explain

Verse 2:

Csus4 C Csus4 C Csus4 C G 2X
Now I start to see, That this majesty
Was designed prepared for me,
Itâ€™s your voice I hear, So sweet and clear,
And you say Youâ€™re here with me

Instrumental:

F Am G C

Verse 3:

Csus4 C Csus4 C Csus4 C G 2X
Now I start to cry, Cos how could I,
Be deserving of You Lord,
But He lifts my head, And He smiles and says,
Because I love you and youâ€™re mine.

Verse 4:

Csus4 C Csus4 C Csus4 C G 2X
Now itâ€™s you and me for eternity,
How could I ever ask for more,
Iâ€™ve been clothed in white, Iâ€™m your precious Bride,
And I will live with You my Lord.
