Verse
D/G   **A**   **D/G**   **A**
Looking back, Iâ€™m looking fast
D/G   **A**   **D/F#**   **D/G**
Iâ€™m looking for something to remind me
D/G   **A**   **D/G**   **A**   **D**/**F#**   **D/G**
Iâ€™ve waited on a long lost note, written by you
D/G   **A**   **D/G**   **A** **D/G**   **A**
Take my heart,
          D/F#   **D/G**
donâ€™t bend it too hard
D/G   **A**   **D/G**   **A**   **D/G**   **A**

Cause Iâ€™ve got the remedy, I got the remedy, I got the remedy of
D/F#   **D/G**
what you need

D/F#   **D/G** (BUILD)

A (E-**F#**-**G**-F#)   **A** (E-**F#**-**G**-F#)
She wants everything that I canâ€™t be
                                                A (E-**F#**-**G**-F#)
Tell me when you look in the mirror, do you think you could be with me

D/G   **A**   **D/G**   **A**   **D/G**   **A** **D**/F#   **D/G**
Thereâ€™s never good parting words

D/G   **A** **D/G**   **A**   **D/G**   **A**   **D**/F#   **D/G**
Seems Iâ€™m making myself sick just to be cured
D/G **A**   **D/G** **A**   **D/G** **A**   **D**/F#   **D/G**
But sheâ€™s the queen on my board
D/G **A**   **D/G** **A**   **D/G** **A**
Somehow I thought Iâ€™d win if
D/F#   **D/G**
 I was keeping score
