

**Beau Perkins - Sweetest Love**  
**Misc Your Songs**

Original Key - Eb(Capo 3 and play in C)

[Verse 1]

**Am**                    **F**                    **C**                    **C**  
Sometimes I ve felt like a bitter warrior  
**F**                    **C**                    **G**                    **G**  
Like I have something left to prove  
**Am**                    **F**                    **C**                    **C**  
So hard to sit here and let you love me  
**F**                    **C**                    **G**                    **G**  
When love never showed itself as an option to choose

**Am**                    **F**                    **C**                    **C**  
Well grace and mercy they always find me  
**F**                    **C**                    **G**                    **G**  
I guess they follow me all my days  
**Am**                    **F**                    **C**                    **C**  
Lift this weight off my shoulder so I can stand up straight  
**F**                    **C**                    **G**                    **G**  
Now I can come to you and gaze

[Pre-Chorus]

and I sing  
**Am**                    **G**                    **Csus**                    **C**  
No-one can love me like you do  
**Am**                    **G**                    **Csus**                    **C**  
I only have eyes for you

[Instrumental]

**G Am F F**  
**Am G C C**

[Verse 2]

**Am**                    **F**                    **C**                    **C**  
Times have past when Iâ€™ve been offended  
**F**                    **C**                    **G**                    **G**  
Your fire claimed everything that I owned  
**Am**                    **F**                    **C**                    **C**  
When love it comes I know Iâ€™ll be bending  
**F**                    **C**                    **G**                    **G**  
To take for flesh this heart of stone  
**Am**                    **F**                    **C**                    **C**  
There ainâ€™t nothing that I won t give you  
**F**                    **C**                    **G**                    **G**  
For your gentleness has made me brave  
**Am**                    **F**                    **C**                    **C**  
Your promises were something I could stand on

**F**                    **C**                    **G**                    **G**  
The vacant sign still marks my grave

[Pre-Chorus]

**Am G Csus C**  
**Am G Csus C**

[Chorus]

**G**            **Am**  
You have the sweetest love  
                  **Csus**            **C**  
You have the sweetest love  
                  **Am**            **G**  
You have the sweetest love  
**F**            **F**  
Jesus

[Bridge 1]

**Am**                    **G**                    **Csus**                    **C**  
Your loveâ€™s like fire on my heart (x4)  
**Am**                    **G**                    **Csus**                    **C**  
Your loveâ€™s like fire on my heart. Let it burn, let it burn

[Chorus]

**G Am Csus C**  
**Am G F F**

[Bridge 1]

**Am G Csus C**

[Bridge 2]

**Am**            **G**  
Iâ€™m so ready to burn!  
**Csus**            **C**  
Iâ€™m so ready to burn!
