E7 **A** **E**
Iâ€™m going down to the river, and Iâ€™m gonna wash you off of me

[Verse]

A **E**
Your tides pull me under, your currents rip asunder
Bm7 **A** **E**
The hurt that I carried here todaa--ay
A **E**
Stripped of its meaning, I let go of these feelings
Bm7 **A** **E**
And watch them float away like an errant le-af

[Chorus]

Iâ€™m going down to the river, and Iâ€™m gonna wash you off of me

Cuz I canâ€™t stand this feeling of your shame upon my skin
