[Intro]

C D G Em

C D G Em x2

(Ohhhhhh Ohhh Ohhh)

[Verse]

Em C D

I used to rule the world

G Em

Chunks would load when I gave the word

C D

Now every night I go stow away

G Em

Hide from the mobs I used to slay

[Interlude]

C D G Em x2

[Verse 2]

Em C D

They once were terrified

G Em

Every time I looked into their eyes

C D

Villagers would cheer my way

G Em

For a hero I was, that's what they'd say

Em C D

One minute we had it all

G Em

Next our world began to fall

C D

Away from all that it had once become

G Em

They all cried for my help, but I stood there numb

[Chorus]

C D

I gaze off into the boundless skyline

G Em

Noteblock choirs playing in the sunshine

C D

Turn round pick up my sword and wield

G Em

The blade that once forced evil mobs to yield

C D

And hope one day that this chaos and

G **Em**
Destruction turns for the better
C **D**
Never a bow in hand
G **Em**
And that was when I ruled the land

[Interlude]

C D G Em x2

[Verse 3]

Em **C** **D**
It was the creepers and Skeletons
G **Em**
Blew down the doors and boxed us in
C **D**
Arrows whizzing by like streaks of light
G **Em**
I tried all that I could to stay and fight
C **D**
As the undead roamed the street
G **Em**
Families broken at my feet
C **D**
Life itself suspended by a thread
G **Em**
Oh, why is it that I wasn't dead

[Chorus]

C **D**
I gaze off into the boundless skyline
G **Em**
Noteblock choirs playing in the sunshine
C **D**
Turn round pick up my sword and wield
G **Em**
The blade that once forced evil mobs to yield
C **D**
If this battle should leave me slain
G **Em**
I know that Herobrine calls my name
C **D**
Better to take a stand
G **Em**
And that was when I ruled the land

[Interlude]
