[verse 1]

G D/F#
I come from a place where you drive fast and you get there faster
Em
Stop signs are optional there's no risk of disaster
C G
Tap the breaks, slow down and look both ways you see for miles

[verse 2]

G D/F#
I come from a place we would hang out in the backyard
Em
BBQ, play with the dogs, then we'd light up the campfire
C G
Singing songs all night till all the neighbours gather round

[verse 3]

G D/F#
I come from a place we would bike out to the old creek
Em
Catching fish make promises we knew that we could never keep
C D G
But man, we were alive way then

[chorus]

C G
I did not know it at the time
C
That these people and these streets would be the
D
strings that pull me back each time

[verse 4]

G D/F#
I come from a place we would walk down to the outdoor rink
Em
Lace up our skates pick teams, hockey playin' until our cheeks were pink
C G
And our toes were numb

[verse 5]

G D/F#
I come from a place where my neighbours all know my name
Em

They watched me grow up, throw the ball, they laughed when I learned how to
C G
Drive! I got them back! when I babysat their kids!

[verse 6]

G D/F#
I come from a place where the whole world shuts down at night
Em
No one on the streets, no screamin' sirens, rushing cars or bright
C G
Lights the sun goes down and it gets dark

[verse 7]

G D/F#
I come from a place where my mom went to my high school
Em
My grandma went there too and all my aunts and uncles met there
C D G
They fell in love, their picture's still on the wall

[chorus]

C G
I did not know it at the time
