G Em G Em

[Verse 1]

G Em G Em  
Sitting back in my easy chair, cold drink by my side  
G Em G Em  
Game is on, but Iâ€™m not tuned in, too much on my mind  
F Am F Am  
Is this what I was born to be, all that life wants me to see  
G Em G Am  
Things I canâ€™t have or do, dreams I can see but canâ€™t get to  
G Em G Em  
Iâ€™ve been reaching out, itâ€™s close enough to touch, After all my work I  
donâ€™t have much  
F Am F Am  
Hoping things start coming through, things I deserve, things I want to do  
Bm C Bm C  
I know I canâ€™t take much more, of things not going my way  
Bm C D  
Iâ€™m a little less sure, and a lot more scared each day

[Chorus]

G C D  
And if youâ€™ve ever believed in something, as much as Iâ€™ve believed  
G C D  
If youâ€™ve ever held onto your dreams, as hard as Iâ€™ve hung on  
Bm C Bm C  
Iâ€™ve been strong and Iâ€™ve had faith, been broke so long Iâ€™ve been  
disgraced  
Bm C D  
Spent so much time Iâ€™m lucky Iâ€™ve still survived

[Verse 2]

Lying down trying to go to sleep, Pain from the life Iâ€™ve lead

I should be tired, but I toss and turn, too many thoughts rolling round my head

I wonder what Iâ€™m gonna do, running out of time to see it all through

I know I canâ€™t take much more, of things not going my way
