Look! In the sky!

D (Strum Once)

It s a bird!

G (Strum Once)

It s a plane!

E (Strum really fast constantly)

Oh my God! It s mother-fuckin Guitarman!

E **G**
There he is flying through the sky

E **G** **D**

He saves your ass from daily crime

E **G**
With Tuner Boy right by his side

E **G** **D**
Their emotions are open; they have nothing to hide

C
Guitarman will tie you up with his G-String

Am
And whack you with his nut

G
The only way to make him stop

D
Is to hit him on his butt

C **Am**
He will then bust out a riff

G **D**
Everytime he does, Tuner Boy gets stiff

C **Am**
Then they fly back to the music store

G **D**
And Tuner Boy learns how to be a whore

F **C**
Everything will then get dark

G **A**
And lightning will strike high

F **C**
The Eastern sky will part

G **A**
And out will fly Jesus Guy

F **C**
Evil-doers will tremble in fear

G **A**
For they know that they have been caught

F **C**
However, Jesus Guy will hug them

G A

Because their sins have been bought

F C G A

Jesus Guy surely has freed them from their sin

F C G A

And flew off never to be seen again

Em D

Jesus Guy had left them there

C G

The town was surely in doubt

Em D

Tuner Boy went to the top

C G

Of the music store to pout

Em D

He was really sad

C G

That Jesus Guy was gone

Em D

And more sad of the fact

C G

That he never got turned on

Em D

Plus he had not yet

C G

Met his life s goal

Em D

To finally get the chance to tune

C G

Guitarman s sound hole

Am C

Tuner Boy then saw what was coming

D G

He had no chance to run

Am C

The Kamikaze Kid was there

D **G**
Tuner Boy was done

Am **C**
The music store was then destroyed

D **G**
With Tuner Boy on top

Am **C**
The Kamikaze Kid was dead

D **G**
He didn't care to stop

Am **C**
Tuner Boy was dead

D **G**
Guitarman was set to flee

Am **C**
But one superhero remained

D **G**
And he wouldn't let that be

A **G**
The town members showed some hope

D **C**
As they looked to the sky

A **G**
They knew what was coming

D **C**
For the Cock Emblem shown high

A **G**
Cockman pounced on Guitarman

D **C**
And with the Cock-Lasso he did tie

A **G**
Guitarman knew his day had come

D **C**
It was time to die

A **G**

The townspeople joined in

D **C**

And destroyed Guitarman

A **G**

Which truly proves the long-thought fact

D **C** **E** **E** **E** (Let ring)

That cocks and justice go hand-in-hand
