Ivy And Rose - Choices Misc Your Songs

[Intro] |G |D |Am |Em | x4 [Verse 1] C Waking up with happiness The breath is loud and clear Days of trouble behind me With nights of tears and fear Am I had the choice of sink or swim I take my chance at now I dont care if friends we lost What people say somehow [Chorus] Am Choice of life Fight against, accept the loss Am Choice of pain Let it come, bear the noise Am Choice of hope Bring the people all together All the people you have to need However |G |D |C |Em Am | x4 [Verse 2] Thinking up of crazy stuff What counts in life what not

Am C
Recognize which way you walked
G D
Remember dude, a lot
Am C
Time to say goodbye old friends
G D
Your ways are different mine C
Am C I learned about the peoples choice
G D
And breaks bad friends this time
And Dicars Dad Hillias this time
[Chorus]
G Am
Choice of life
F C
Fight against, accept the loss
G Am
Choice of pain
F C
Let it come, bear the noise
G Am
Choice of hope
F C
Bring the people all together
G D
All the people you have to need
All the people you have to need C
All the people you have to need
All the people you have to need C However
All the people you have to need C However C Em Am x2
All the people you have to need C However
