CIRCUMFERENCE OF LOVE

Words and Music: Jhay Ehidio

Verse:

G **Em**
I m caught in tangles
G **Em**
Can t break away from here
G **Em**
Longing for you beside
C **D**
I need you my dear

G **Em**
Going in circles
G **Em**
Circles of life and death
G **Em**
Can t seem to get it clear
C **D**
How I m starving for help

Pre-chorus:

Em D **C** **G**
Please come into my life
D/F# **Em D** **C** **G**
And ease all the pain inside
Am **D**
Cause I can t go on without you
Am **D**
I can t go on the way I do
Am **D**
Just can t measure what s
D7 **G** **D**
The circumference of love

Chorus:

G-Em **C**
And around

D **G-Em C**
We go and hear the sound
D **G-Em C**
And know that love will abound
D **G-Em C**
In us and move round and round
D
Yeah I like what it sounds
